

**GCSE Physics B (Twenty First Century Science)**  
**J259/04** Depth in physics (Higher Tier)

**Question Set 28**

1\* Layla is training for a long distance race. She follows two different training sessions in preparation for running the race, and collects some information on her performance in each training session.

Each training session lasts 30 minutes.

The graph shows her motion for both training sessions.

Give the similarities and differences between Layla's performance in the two training sessions.

Use calculations from the graph to support your answer.

[6]

**Total Marks for Question Set 28: 6**
