## **Investigating the Economic Environment and Business**

#### Context

This year the context is **government intervention** and **market failure** in the UK.

### Research

To prepare for this year's context, you should research:

- the different ways that the government intervenes in the economic and business environment
- its reasons for doing so
- to what extent government intervention is successful and reasons for government failure
- market failure and its impact on stakeholders (economic agents)
- if market failure can be solved by government intervention.

You **cannot** take any of your research or investigation data carried out as part of pre-release into the examination.
