## Section A: Language change

## Question 1

Read **Texts A, B** and **C**.

Analyse how **Text A** exemplifies the various ways in which the English language has changed over time. In your answer, you should refer to specific details from **Texts A, B** and **C**, as well as to ideas and examples from your wider study of language change. [25]

**Text A**

An extract taken from a description of a hospital for disabled and retired soldiers published in 1695. This section gives an account of how food is prepared and served in the hospital.

The *Cooks* take the Meat out of the *Pots* and *Boylers* about Eight a Clock in the Morning, to dress and divide it into Portions; about Ten a Clock the *Meffes*<sup>1</sup> are prepared, and ready to be served in at Eleven a Clock: And that they may be the more exact in making those Portions equal and of weight, so as every one may have what is his due, they weigh first about half a dozen of Portions that are placed before the *Cooks* to serve them as Patterns and Models, by which they are to judge how the rest of the Portions of the like weight are to be made, or as near to them as possible. About half an hour after Ten a Clock, the *Pottage*<sup>2</sup> being made ready by the *Cooks* in the *Boylers*, the same is carried in large *Portable Kettles* by the Servants of the *Refectories*<sup>3</sup>, who come into the *Kitchen* and carry it away into the *Refectories*, and fill all the *Porringers*<sup>4</sup> that they find already ranged in order on the Tables, and which the Soldiers take care to garnish with Bread cut into them: These *Soupes* are so very good, that they who have the Curiosity to see the same prepared, are surpris'd at it, because of the great quantity that is used; but it must also be considered what care is taken to have it so. For in all other Houses the *Cooks* have a prevailing Custom to take all the *Fat* and *Dripping* of the boyl'd and roast Meat for themselves, as being a Profit and Perquisite<sup>5</sup> of their Place, as they reckon it; but here it is otherwise; wherefore that the *Pottage* should be so much the better, it is ordered by the *Administrator-General*, that the *Cook's* Wages should be raised.

<sup>1</sup>*Meffes*: food (especially in the military)

<sup>2</sup>*Pottage*: soup or stew

<sup>3</sup>*Refectories*: dining rooms in an institution

<sup>4</sup>*Porringers*: small bowls usually with a handle

<sup>5</sup>*Perquisite*: a benefit to which employees are entitled, beyond a salary
