customer: oh it's just an anniversary trip with me and my partner
sales rep: ah lovely brilliant have you been before

sales rep: ah well New York is one of those places that you can go back to so what are your other plans while you're there cos I can see that you haven't got any er (.) any organised tours or anything with us
customer: erm I haven't really got as far as kind of planning what we're going to do yet I think we're maybe gonna try and see a show or you know have a er like a nice meal out somewhere just try and cover as many of the New York basics as we can
sales rep: okay has your partner been to New York before
customer: no he hasn't
sales rep: okay so you're probably gonna see you know some of the want to see some of the main highlights again erm one tour which is really really popular erm is the hop on hop off New York erm tour like a bus tour
customer: uh huh
sales rep: so you can use it er for seventy-two hours and when you activate it that's when it will start from that point onwards
customer: okay
sales rep: there's the uptown loop the downtown loop there's the Brooklyn Bridge loop there's all sorts of different ones (.) and you've got entrance to three different attractions out of a choice of twelve included so one would be like the Empire State Building erm one could be like Top of the Rock another one could be the Statue of Liberty those would be like three of the main big ones out of that list of twelve (.) also there's a night time loop that's not hop on hop off that's just where you sit and go round (.) what do you think of including something like that
customer: they do sound really good
sales rep: so that would be eighty pounds per person
customer: okay
sales rep: but as I say it includes three attractions and it includes a night-time tour and you are using it as public transport because it's hop on hop off
customer: um okay I'll get that I'll get that tour then and then at least it covers some of the basics and we've got some options when we're there just one less thing to think about
sales rep: they are really really popular everybody pretty much which we book to New York uses it
