Map 3.1 Map of large shopping centres in Great Britain

Meadowhall, Sheffield – an example of 'out of town' retail

Since opening its doors in 1990, Meadowhall has:

Contributed a total of **£303m to public finances**, with 18% of all business rates collected in Sheffield derived from Meadowhall

Created one job in every 100 in **Sheffield City Region**, directly and through the supply chain

Employed up to **8,500 people** at the centre at peak times

Contributed **£1.8m** through our community programme over the last five years

Heart of the City – Sheffield City Centre

- Development to produce a 'attractive new shopping district in the heart of Sheffield city'
- Create 6,000 jobs once completed in 2024
- Increase retail spending to £552m per year
- Walkable shopping centre, with cultural and leisure facilities
