### Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- There are three sections in this question paper. Answer **ONE** question from Section A, **ONE** question from Section B and the question in Section C.
- Answer the questions in the spaces provided  
– *there may be more space than you need.*

### Information

- The total mark for this paper is 60.
- The marks for *each* question are shown in brackets  
– *use this as a guide as to how much time to spend on each question.*

### Advice

- Read each question carefully before you start to answer it.
- Check your answers if you have time at the end.
- Good luck with your examination.

### Extracts for use with Section C.

**Extract 1:** From Mark Kishlansky, *A Monarchy Transformed: Britain 1630–1714*, published 1996.

William's reign was notable for the development of a parliamentary monarchy, though this was not deliberately pursued by the King. There were radical Whigs who wished to restrict royal prerogatives in the Declaration of Rights and then the Bill of Rights, but the growth of parliamentary power occurred in quite a different way.

5

Yearly sessions of parliament were needed because of near-constant warfare and the fact that parliament would only vote the military budget annually. Parliament took responsibility for income through creation of the civil list, which made the king dependent on parliament. Ultimately, parliament controlled the king by controlling the royal finances. Finally, parliament established the legal basis of royal government in the Act of Succession. This Act not only specified the line of descent but also attempted to restrict the prerogatives of William's heirs.

10

**Extract 2:** From Derrick Murphy et al., *Britain 1558–1689*, published 2002.

The Glorious Revolution of 1688–89 seems quite radical. It has been seen as a struggle for political power between the crown and parliament, which created a constitutional monarchy. In many ways, however, the political changes brought about by 1688–89 were not particularly great. The Glorious Revolution did not establish parliamentary government. The king was still free to choose and dismiss ministers as well as his judges. He could summon, dissolve, prorogue and adjourn parliament (as long as it conformed to the Triennial Act). The 'glory' of the Revolution lay in its conservative nature – it retained the traditional constitution with only minor adjustments to bring the relationship between crown and parliament back into balance. It is therefore true that many of the features of government seemed to remain unchanged: monarch, privy council and parliament.
