PAPER 1: Breadth study with in Option 1C: Britain,1625–1701:	-	
You must have: Extracts Booklet (enclosed)		Total Marks

Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- There are three sections in this question paper. Answer **ONE** question from Section A, **ONE** question from Section B and the question in Section C.
- Answer the questions in the spaces provided
 - there may be more space than you need.

Information

- The total mark for this paper is 60.
- The marks for **each** question are shown in brackets
 - use this as a guide as to how much time to spend on each question.

Advice

- Read each question carefully before you start to answer it.
- Check your answers if you have time at the end.

SECTION A

Answer EITHER Question 1 OR Question 2.

EITHER

1 How accurate is it to say that, in the years 1625–40, the problems faced by the monarchy were primarily due to religious issues?

(Total for Question 1 = 20 marks)

OR

2 How accurate is it to say that fear of royal absolutism was the main reason for Charles II's difficult relations with his parliaments in the years 1660–81?

(Total for Question 2 = 20 marks)

SECTION C

Study Extracts 1 and 2 in the Extracts Booklet before you answer this question.

5 In the light of differing interpretations, how convincing do you find the view that, in the years to 1701, the Toleration Act of 1689 did little to weaken the Anglican supremacy?

To explain your answer, analyse and evaluate the material in both extracts, using your own knowledge of the issues.

Extracts for use with Section C.

Extract 1: From John Miller, *The Stuarts*, published 2006.

The bishops and Tory politicians agreed to toleration in order to prevent the weakening, or destruction, of the pure spirit of Anglicanism, or, even worse, a split within the Church. The Toleration Act of 1689 was the product of a cynical political deal. It was introduced reluctantly. It did not repeal any of the laws against Dissent, but laid down that laws against dissenting meetings should not be enforced against mainstream Protestant dissenters. There was to be no freedom of worship for Catholics, Unitarians* or Jews. Meeting-houses had to be registered with local Justices of the Peace and had to keep their doors open during meetings, as there was still the clear suspicion that dissenters were plotting treason. The laws against dissenters holding office (including the Test and Corporation Acts) were to remain in force, as was the ban on dissenters attending England's two universities. Public office and higher education were to remain under Anglican control.

*Unitarians – a form of Christian religion that believes in the unity of God and rejects the doctrine of the Trinity – that God has three forms, the Father, Son and Holy Spirit

2 P75753A

Extract 2: From Robert Bucholz and Newton Key, *Early Modern England 1485–1714*, published 2009.

In 1689, the Convention Parliament passed the Toleration Act. From then on, virtually all Protestant Churches were to be tolerated. Most of the penalties passed by the Cavalier Parliament were removed. The chief remaining obstacle faced by Dissenters was the Test Act. This was very important psychologically, but it could be overcome by the practice of occasional conformity. Occasional conformity meant that, on appointment and twice a year thereafter, all a Dissenting officeholder had to do was set aside his religious convictions and participate in an Anglican service. Catholics, of course, could do no such thing; they remained subject to extensive legal restrictions.

The Toleration Act freed not only Dissenters from having to go to church, but also the sceptical, the lazy or the plain sleepy. Church courts, which had traditionally regulated personal behaviour (for example to discourage swearing, adultery, drunkenness and falling into debt) were in decline in most parts of the country. In short, the Church's ability to demand obedience and good behaviour from its followers was weakening.
