**MARK SCHEME for the November 2004 question papers**

**0470 HISTORY**

**0470/04**

**Paper 4 (Alternative to Coursework), maximum raw mark 40**

These mark schemes are published as an aid to teachers and students, to indicate the requirements of the examination. They show the basis on which Examiners were initially instructed to award marks. They do not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published *Report on the Examination*.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the *Report on the Examination*.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the November 2004 question papers for most IGCSE and GCE Advanced Level syllabuses.

**Grade thresholds** taken for Syllabus 0470 (History) in the November 2004 examination.

	maximum mark available	minimum mark required for grade:			
		A	C	E	F
Component 4	40	31	22	18	15

The threshold (minimum mark) for B is set halfway between those for Grades A and C.  
The threshold (minimum mark) for D is set halfway between those for Grades C and E.  
The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it.

Grade A\* does not exist at the level of an individual component.

	<b>IGCSE EXAMINATIONS – NOVEMBER 2004</b>	<b>0470</b>	<b>4</b>

This paper is marked out of a maximum of 40 marks. Candidates must choose ONE Depth Study to attempt. Questions and Marking Schemes for each Depth Study have been developed to follow a pattern. In every case, part (a) questions concentrate on source material provided in the Paper and are worth a total of 20 marks. Part (b) questions deal with subject matter closely related to the source material and also have a total value of 20 marks. Whilst marking schemes are based on the same model, they have been printed separately to allow exemplars of skill and information levels which candidates may use. These exemplars are not intended to be exclusive or exhaustive.
