SECTION A

Answer both questions.

Study Source A below and then answer Question 1.

Source A: From *Berlin Diary* by William L Shirer. Shirer was an American journalist living in Berlin at the time of the Olympic Games. He wrote this diary entry in August 1936.

> The Olympic Games finally came to an end today. Hitler and the others showed up this afternoon for the final ceremony, which continued until well after dark. The Nazis have succeeded with their propaganda. First, the Nazis have run the games on an extravagant scale never before experienced, and this has appealed to the athletes. Second, the Nazis have put on a good show for the general visitors, especially those who are big businessmen.
