Answer all questions.

QUESTION 1

Look at Sources A, B and C which show the role of women in war over time and answer the question which follows.

Source A

[Women in warfare in medieval times]

Source B

[Women in warfare in the early 20th century]

QUESTION 2

Study Sources D and E below and answer the question which follows.

Source D

This land battleship is little more than a pretty mechanical toy which will be quickly and easily knocked out by enemy artillery. This war will not be won by the use of such foolish and absurd things.

[Lord Kitchener, Secretary of State for War in a discussion with the designers of the tank in 1916]

Source E

Drones have many advantages over manned aircraft. They provide video imagery along with surveillance capabilities for infantry troops. They can identify enemy movements and provide an additional air strike capability. They are extremely good for dull, dangerous and dirty tasks.

[From a House of Commons report entitled *An Overview of Military Drones used by the UK Armed Forces* produced in 2015]

Which of the two sources is the more reliable to an historian studying changes in technology in warfare over time? [6]

[In your answer you should refer to the content and authorship of the sources and use your own knowledge and understanding of the wider historical context.]
