Plan ahead, even the night before, to have a delicious meal on time. This is a way of letting your husband know that you have been thinking about him and are concerned about his needs. Most men are hungry when they come home and the prospect of a good meal is part of the warm welcome needed.

#### **QUESTION 5**

This question is about immigration.

Read the interpretation below and then answer the question which follows.

The Windrush pioneers have had a positive impact on life in Britain. The West Indians took their British citizenship seriously. They came to help rebuild Britain after the war because of a shortage of workers. Today, the arrival of the Windrush is viewed as a turning point in the recent history of Britain. It has come to symbolise the many ways in which Caribbean people have contributed to British life.

[From an article about the history of Caribbean immigration to Britain on the website *understandingslavery.com*, published in 2011, which supports research on Commonwealth immigration]

How far do you agree with this interpretation of the reaction to Commonwealth immigration?
