QUESTION 4

This question is about Lenin’s ideas.

Study the sources below and then answer the question which follows.

Source C

For three years Lenin’s policies have denied the people freedom of speech. Those who speak against them have found themselves in the torture chambers of the Cheka. The peasants and workers demand more freedom and better working conditions. The communists have lost our loyal support. We are determined to rise against the dictatorship of this regime.

[The Kronstadt sailors, writing in their newspaper *Izvestia*, published in 1921]

Source D

Lenin’s New Economic Policy (the NEP) will transform the Russian economy and rebuild a broken nation. The Old Russia of primitive lighting and the meal of a crust of bread is going to be covered by a network of electric power stations. The future is full of promise. Full support for our leader’s policies is essential.

[From a speech by Nikolai Bukharin to party members in 1922. Bukharin was a leading communist and a strong supporter of the NEP.]

Which of the sources is more useful to an historian studying the impact of Lenin’s policies? [12]

[You should refer to both sources in your answer and use your own knowledge and understanding of the historical context.]
