QUESTION 4

This question is about crime and corruption.

Study the sources below and then answer the question which follows.

Source C

The American's patriotic and Christian duty is to abolish the un-American, pro-German business of alcohol. It leads to an increase in crime, wastes food, corrupts young people and destroys family life. We need to strengthen the traditions of America by banning alcohol.

[From an Anti-Saloon League pamphlet, circulated in Washington DC in 1918]

Source D

Women are much better smugglers of alcohol than men. The cops won't come near us. The gangsters know that it is illegal for male officers to search women. I have made \$30,000 this year alone, and the jobs just keep on coming as more and more people go to the illegal bars all over the country.

[Miss Rosalind "A", a smuggler of alcohol, secretly interviewed in an American newspaper, *The Boston Daily Globe* in 1925]

Which of the sources is more useful to an historian studying prohibition? [12]

[You should refer to both sources in your answer and use your own knowledge and understanding of the historical context.]
