**INSTRUCTIONS TO CANDIDATES**

Use black ink or black ball-point pen. Do not use gel pen or correction fluid.

Write your name, centre number and candidate number in the spaces at the top of this page.

Answer **all** questions.

Write your answers in the spaces provided in this booklet. If you run out of space, use the additional page(s) at the back of this booklet, taking care to number the question(s) correctly.

**INFORMATION FOR CANDIDATES**

The number of marks is given in brackets at the end of each question.

Question 7 will assess your ability to construct a balanced, reasoned and well-substantiated extended response.

In addition, your answer to question 7 will assess your ability to spell, punctuate and use grammar accurately and use a wide range of specialist language as appropriate.

The sources used in this examination paper may have been amended, adapted or abridged from the stated published work in order to make the wording more accessible.

**QUESTION 2**

**This question is about developments in public health.**

Look at Sources A, B and C, which show developments in public health over time, and answer the question which follows.

**Source A**

[Section from an eighteenth-century advertisement for a private company which removed sewage and rubbish from people's houses]

**Source B**

[An image from 1874 of the new sewers built by Brighton Council]

Source C

[Rubbish collection by Cardiff Council in the early twenty-first century]

Use Sources A, B and C to identify **one** similarity and **one** difference in developments in public health over time.

[4]

[Use at least two of the sources to answer the question.]

**QUESTION 7**

**This question is about advances in medical knowledge.**

To what extent has medical knowledge consistently improved over time? [16]

In your answer you should:

- show how medical knowledge has improved over three historical eras
- discuss the variations in the extent of improvement over three historical eras
- include direct references to the history of Wales.

Marks for spelling, punctuation and the accurate use of grammar and specialist language are allocated to this question. [4]

A large rectangular area containing multiple horizontal dotted lines for writing the answer.

Examiner  
only

A large rectangular area with a solid top and bottom border and a dotted line border on the left and right sides. The interior is filled with horizontal dotted lines, providing a space for writing.

Examiner  
only

Additional space for question 7 only: .....
