INSTRUCTIONS TO CANDIDATES

Use black ink or black ball-point pen. Do not use gel pen or correction fluid.

Write your name, centre number and candidate number in the spaces at the top of this page.

Answer **all** questions.

Write your answers in the spaces provided in this booklet. Additional space is provided for Question 7 within the booklet (if required). If further space is required for any question, use the additional page(s) at the back of this booklet, taking care to number the question(s) correctly.

INFORMATION FOR CANDIDATES

The number of marks is given in brackets at the end of each question.

Question 7 will assess your ability to construct a balanced, reasoned and well-substantiated extended response.

In addition, your answer to Question 7 will assess your ability to spell, punctuate and use grammar accurately and use a wide range of specialist language as appropriate.

QUESTION 7

This question is about developments in patient care.

To what extent has the care of patients improved over time?

[16]

In your answer you should:

- show how the care of patients has developed over three historical eras
- discuss the variations in the extent of improvement over three historical eras
- include direct references to the history of Wales.

Marks for spelling, punctuation and the accurate use of grammar and specialist language are allocated to this question.
