20. Magnetic Fields

20.1 Concept of a magnetic field

Paper 4

Marking Scheme

Q1.

(a)	a region where a force acts on	**M1**
	a current-carrying conductor **or** a moving charge **or** a magnetic material / magnetic pole	**A1**

Q2.

(a)(i)	region where a force is exerted on: a magnetic pole **or** a moving charge **or** a current-carrying wire	**B1**
